ETA APPROVED.3
```

- 1 This is the date and time of processing in Australia.
- 2 The validity of this ETA is 12 months from the date of approval, or the passport expiry date (whichever is sooner).  
Please check to ensure the ETA is valid for the proposed date of arrival in Australia.
- 3 'ETA APPROVED'.  
The ETA approval means:
  - The ETA may be used for travel until the date shown or
  - The ETA permits multiple visits and a stay for up to 3 months each time.

Note: This ETA is for holidays, recreation and tourism purposes.

Work of any kind is prohibited. If entering Australia for business purposes, including attending a conference or meeting, a BL or BS ETA is the appropriate type of ETA.

If the applicant is immediately approved, an 'ETA Approved' response will be returned. In limited cases the ETA system will be unable to process the application immediately and a response of 'In progress. Enquire in 12 hours' will be returned. After 12 hours have elapsed, to check whether an ETA has been granted use the enquiry screen.

For any system errors or messages, refer to the Help section in this manual.
